TO STRIVE, TO SEEK, TO FIND AND  
NOT TO YIELD

## PEOPLE'S COLLEGE

Established in the year 1984, People's college Mokokchung has its beginnings on the premises of Fazl Ali College (FAC), offering evening classes to cater to the growing number of employed adult students whose work schedule prevented them from attending college at traditional times. The students then were voluntarily taught by professors from FAC until a Government order to introduce the science stream no longer made it possible to continue teaching those classes at FAC campus.

The college then shifted its base to the present day campus located in the heart of the town at Kumlong ward. Backed by a group of dedicated well-wishers and through their contributions and donations, People's College established itself as a full-fledged college moving on from what was then called a "Night College" and opening its doors to full time students. In 1996 the Nagaland University granted the college the degree provisional affiliation, facilitating honours in all the departments.

With the expansion of the college, the Governing Board under the chairmanship of the Deputy Commissioner and the Board of Trustee

under the chairmanship of Shri. Meren Paul, made a decision in the year 2004 to transfer the proprietorship of the college to Lt.N.I.Jamir & family under the full guardianship of Shri.Alemtemshi Jamir IAS (Rtd). This marked a new chapter in the history of the college while simultaneously charting a new course for the future.

Today People's College is one of the premier college in Mokokchung Town and it continues to strive for excellence in higher education, while augmenting greater educational standards in the state of Nagaland. At present the college is awaiting Accreditation by the National Assessment and Accreditation Council (NAAC) in line with the college's aim to establish itself as a centre of academic excellence.
